General Superintendent

Dear Mike Haire:

Thank you for the awesome job you have been doing for A.P. Thomas Construction, Inc. the last several years. Your hard work and dedication have helped us tremendously on high maintenance projects. It is not that often that we work with a general site superintendent that approaches each project like it is his own and works as a team to get to the finish line. I want to make sure you know how much you are valued and appreciated.

The recent changes with COVID-19 have been challenging for companies and field crews; however, you keep everyone motivated and do so with a great attitude and disposition.

Thank you for your hard work and dedication to this company throughout all these years and we truly appreciate what you do.

Sincerely,

Raz Dhillon
